TCR FOR WWW.BDVRENTACAR.RO

1. Introduction

In this Sprint, Test cases were created and run to cover User Stories WBR-1, WBR-2 and WBR-3.

We ran a total of 5 test cases to check the functionality of the language button, the logo property to bring the user to the home page and the display of the contact numbers in the header.

After we ran the RAU-281 Test case, a defect was discovered.
